TO WHOM IT MAY CONCERN:

I write this letter in recommendation R&R Builders as a General contractor. I had the Pleasure of working with Mr. Belal Reda on the extension of our house in 2011. I can recommend him highly and without reservation.

Throughout the course of the renovation, Mr. Belal Reda was a good professional. He was accurate in his initial assessment of the scale and cost of our project.

He performed a very good job and done on time as he understood our situation and worked according to our needs.

I would have no hesitations to use your service again and will recommend your business to anyone I know requiring building work.

Yours Truly
