TO WHOM IT CONCERN:

I write this letter in recommendation of Zara Building and Design. It was an absolute pleasure working with Mr Belal Reda for the duration of my duplex build in 2017. I recommend him highly without hesitation. He demonstrated clear and open communication for the entirety of the process.

His statements were actioned and followed through in a timely and tenacious manner for all moving parts of the build.

I have great appreciation for his passion and enthusiasm to produce outstanding workmanship. He would seek to understand my vision and advise accordingly. The execution was seamless with great attention to detail and quality.

There was no variation to the initial quotation. I look forward to using them in any future project.

Yours Faithfully,
